..... Our move is
completed to the new
village houses on the
penninsula. Fishing
and farming are good.
The livestock is
getting fat. .....

..... fire started by
the invaders again,
driving us to the
fortress beyond our
old village ruins. Will
they not leave us in
peace! ..... talk about
the coming of the
Maid. When will she
arrive? Who is she?
Lontish needs her, the
people need her. This
constant fighting is
wearing upon us. .....
